The Report of the Committee of Management of
the Royal Isle of Wight County Hospital to
H.R.H. The President and Governors for
the year 1939.

THE COMMITTEE have the honour to present their 92nd Annual Report to the Governors, and notwithstanding the great difficulties and anxieties on the outbreak of War, they are pleased to state that the Hospital has carried out its great work without interruption.

There were 1,402 new In-patients, an increase of 5 over the previous year, and the total attendances of Out-patients amounted to 13,373. The outstanding feature of the year was the opening of the King George V. Memorial Nurses' Home in Adelaide Place, where the Nursing Staff went into residence last May; although there is a very heavy debt on the Building Fund account, the Committee feel that they were justified in making this valuable addition. Efforts were made to obtain a large sum towards the building of the Home, and until the War started collections and donations were coming in fairly well. The Pathological Department has continued to carry out a most important work, but the Pathologists hope that it will receive more support in the future.

The Ordinary Income amounting to £18,282 16s. 11d. was more than in the previous year by £246 15s. 11d., but this was due to the help received from the Ministry of Health for reserving emergency beds and for the maintenance of Service men who required treatment. The Ordinary Expenditure amounted to £16,773 9s. 2d., an increase of £1,172 11s. 11d. over the total for 1938; this increase was due to the higher cost of all

commodities during the last four months and to expense incurred on the outbreak of War. Many Subscribers who usually send their subscriptions towards the end of the year did not respond to the appeal that was sent to them, and several collections usually made had to be abandoned.

The Committee desire to place on record their sincere appreciation of the valuable services rendered by the Honorary Surgeons, Physicians, and Anæsthetists; the Matron's responsibilities have been much increased, and extra work has fallen upon her, particularly in connection with War Emergency Services; she has accepted these responsibilities ungrudgingly, and the other Members of the Staff have carried out their duties in a very satisfactory manner. Sister Scrimshaw obtained the post of Matron to the Freshford Cottage Hospital, near Bath, after many years of devoted service to this Hospital. An Orthopædic Department was inaugurated a short time ago, and the Committee were fortunate to have as a Candidate for the post of Honorary Orthopædic Surgeon Mr. H. H. Langston, F.R.C.S. Eng., who was duly appointed by the Election Committee. Mr. W. H. B. Magauran, F.R.C.S., was called away on War Service for a time, and in his absence Mr. J. A. Lee, F.R.C.S., living at Wootton very kindly acted as Honorary Surgeon to the Ear, Nose, and Throat Department.

The Committee have to record with great regret the death of Dr. J. D. Davies and of Dr. P. D. Turner, who for many years were Members of the Honorary Medical Staff and were held in the highest esteem. Mr. A. E. Williamson, who was elected on the Committee at the last Annual Meeting of Governors died in October; he was a generous supporter of the Hospital, and did much useful work as Hon. Secretary of one of the Ryde Districts of the Contributory Scheme until his health gave way.

There is a separate report of the work of the Contributory Scheme, but the Committee desire to include in this report their expression of sincere thanks to the Honorary Secretaries and Honorary Collectors for their valuable services which have been rendered more difficult by War conditions.

The Committee acknowledge with grateful thanks the services rendered by the Press in publishing the weekly reports free of charge, and in other ways.

The following Members of Committee retire under Rule 24 : Mr. F. W. Boger, Miss Waistell, Mr. F. J. Honnor, Mr. A. Miles, The Hon : Mrs. Kindersley, Mr. Aubrey A. H. Wykeham, D.L., J.P., and Mrs. Aspinall Oglander ; another vacancy is caused by the death of Mr. A. E. Williamson.

Any Governor, whose consent has been obtained, may be nominated for election by another Governor in writing duly signed and given to the Secretary not later than 6 p.m. on Saturday, March 9th.

Signed on behalf of the Committee,

ARTHUR ANDREWS, J.P.,

Chairman.

THE CONTRIBUTORY SCHEME

Report of the Contributory Scheme Committee for the year 1939

THE Committee wish first to express their very deep appreciation of the loyalty of the Local Committees in these very difficult times. The work of these committees has become increasingly difficult and their determination to overcome these difficulties and so sustain the success of the Contributory Scheme is most gratifying; no tribute is too great to pay to them.

The total income for the year was £10,921 18s. 10d. This shows a decrease over the year 1938 of £926 2s. 3d. It must not, however, be thought that the Contributory Scheme receipts have in effect dropped, actually many of the Local Committees show a large increase in their total collections for the year 1939 as against 1938, but the difficulty experienced—on account of the black-out, etc.—in collecting in the money for the complete year made it impossible in many cases for it to reach the Hospital in time for inclusion in the 1939 accounts.

The Contributory Scheme continued to make good progress in 1939 as in former years, the membership rising to approximately 31,000; this figure includes all men called up for Military Service, etc., who although exempt from paying contributions for the duration are still regarded as “bona fide” members, and will be in immediate benefit upon their return home.

The Committee again tender their thanks to the employers of labour who have collected during the year the sum of £1,368 10s. 9d.

During the year the following sums were paid for the treatment of members in Hospitals other than the Royal Isle of Wight County Hospital.

| | £ | s. | d. |
|--|-------|-------|-------|
| Arthur Webster Hospital, Shanklin | 176 | 14 | 0 |
| Scio Hospital, Shanklin | 211 | 16 | 0 |

| Ambulance Service | 28 | 0 | 0 |
| | <hr/> | <hr/> | <hr/> |
| | £915 | 19 | 0 |

The Administration expenses in connection with the Scheme total £553 10s. 1d., which is 5 per cent. of the total receipts; a figure which compares very favourably with other Contributory Schemes.

Normally, the representatives of the Contributors in the Shanklin and the West Wight areas, who serve on the Hospital Committees would have retired at the end of 1939. It was felt however, that in view of the present war conditions it would have been difficult to convene a meeting of the Election Committees for the purpose of electing new representatives from these two groups. With the consent of the Committees concerned, Mr. W. Death, the representative for the West Wight area and Lieut. A. Carter, the representative for the Shanklin area were approached and they very kindly agreed to serve for a further period of three years.

We deeply regret to record the death of Mr. A. S. Kingswell, of Ventnor, and Mr. A. E. Williamson, of Ryde, two of our local Secretaries who worked very hard and contributed much to the success of the Scheme in their respective areas.

The Annual Conference of Local Committees held in June was very successful and was well attended. Every effort will be made to arrange a conference this year, as the committee are most anxious to keep in touch with the Local Committees.

AUBREY A. H. WYKEHAM, *Chairman,*

Contributory Scheme Committee.
